Aw dude, I hate being claustrophobic.

546 KW:

I dunno, I don't really mind it, it's just that it's stuffy and I smell awful.

547 CM: I was more claustrophobic in my cell actually, than I am in here. Which is

548

545

kinda odd.

KW: 549

I dunno. There's more room in my cell than I was expecting. Y'know I,

l'm-

Oh.

I'm with twelve by nine feet ... CM:

552 KW: Oh, I got about um ...

553 CM:

554 KW: I got about ten by eight, maybe.

555 CM: With your feet, or just feet in general?

KW. 556

Feet in general, I, 'cause I figured, y'know, my foot's about nine inches,

557

right? So-

558 CM:

CM: 562

KW: 563

(Moans) Hey, you should do this, it makes it feel as if there's more room.

564 CM:

No, I won't be able to get back up after. (Laughs)

565 KW: (Laughs) They're like, remorse, do you feel any remorse? Any, any

Conversation between Cameron MOFFAT and Kruse WELLWOOD called Mo, and it's about this stupid guy named Mo, and there's this guy 569 named like, Sand-, Ce- Cement Bag Head, or something like that. He has 570 a cement bag for his head. And he ends up taking the fall for a, a murder 571 that Mo does. And then the, the guy's at the court, and, and he's like I 572 didn't do it. And the, the judge is like, yes, it's very interesting, but do you 573 feel any remorse, any regrets? Are you remorseful about it? And the 574 guy's like, but I didn't do- And he's like, remorse? Any remorse? 575 Remorse at all? He, he said, yes, I do. And then, (laughs) and the judge 576 is like, let him go. And then there's like streamers and stuff everywhere, 577 and the guy like, just walks out. 578 What the fuck could this guy be doin'? 579 CM: Some kind of locker or Probably putting our um, stuff somewhere. KW: 580 something. 581 ... would be like, okay, they're here. Take them out, and then, y'know, the 582 CM: rest should be handled by the juvie people. 583 Uh, he probably has to do it himself. KW: 584 Makes me wonder why this is open, can't open it. 585 CM: I dunno, there could be longer trips, right? I mean, like, if it gets really 586 KW: stuffy. They probably can open it from like, the other side or something. 587 It opens inwards though. 588 CM: I know. Like, like they push it in. KW: 589 But it's also bolted on the outside. 590 CM: KW: i dunno. 591 I swear, they use these things for like, their dogs and then they're like, 592 CM: hey, we can put prisoners in here, too. 593 (Laughs). Michael said I'd probably be traveling by a shit can. (Laughs) 594 KW:

596 KW: (Laughs I think this is what he meant.

597 CM: Like, their windows here don't even open. So-

598 KW: Okay yeah, that, now I see what you mean.

599 CM: But they're bolted on the other side here. These open, those don't.

600 KW: Aw, dude, I have to fart.

601 CM: Don't you dare fart in here.

602 KW: (Laughs) This is funny that the only chance we get to talk is like, in here.

603 CM: ... Wonder what that thing is, that big box?

604 KW: Um, it's for putting your firearms in.

605 CM: I thought it was a ... controller or something.

606 KW: No. Or, no, maybe it's not putting, for putting your firearms in. It says you

Just need to keep your firearms in your vehicle. Maybe it's for putting your

608 ammo in, then, because there's something about, on the cell block, it said

609 FA are not permitted and I asked what FA was, and he said fire arms.

And then it said something about um, y'know, retain your ammo, but

611 holster, or, yeah, like, place your firearms in the bin, or something like that.

612 CM: Um, all the police officers I saw in there, um had their gun holstered, but

613 um, there was no clip in them.

614 KW: Was that in the interview room?

615 CM: No, they never had guns in there. I'm just talking like when they were in

616 like, the receiving area, there, like that.

617 KW: Oh, you mean, like, the garage?

618 CM: No, like in the area where you ...-

619 KW: The cell block?
