Proctor: even when i was at [REDACTED] and [REDACTED] she kept buggin me to eat ><
Wellwood: I noticed.
Proctor: usually i only eat dinner
Proctor: that's how its been all summer for me
Wellwood: That actually really bugged me
Wellwood: when she did that
Wellwood: I don't like it when someone pressures a person into anything.
Wellwood: People have free will for a reason.
Proctor: yep
Wellwood: But I digress
Proctor: i don't eat much at all its why im so tiny
Wellwood: You're small anyways.
Proctor: yep
Proctor: lol
Wellwood: Not eating doesn't make you stop growing lol
Wellwood: You should make an effort to have an apple, a sandwich, or something of the sort
Wellwood: For lunch
Proctor: one of the reasons i don't eat much is cuz of somethin [REDACTED] always said to me..
Wellwood: You'll feel better for it
Wellwood: He called you fat?
Proctor: no he said i had a fat ass an that i should take fat from mi ass to make mi boobs bigger ><
Wellwood: You're beautiful the way you are. He clearly has no taste in women.
Proctor: aww thanx:}

...
Wellwood: If he didn't know what [REDACTED] looked like and you said [REDACTED] wasn't [REDACTED] when you saw then how could [REDACTED] have found [REDACTED] to try and beat him up
Proctor: It may have been cuz earlier on i told [REDACTED] that was [REDACTED] an i wasn't worried bout it cuz the odds of [REDACTED] running into [REDACTED] again were proly rare
Proctor: or 18er on i mnea
Proctor: *mean
Wellwood: That makes even less sense now
Wellwood: ugh, nevermind
Wellwood: It's not important
Wellwood: Then again, neither is human life
Proctor: I'll hav to explain this to u some other time

Wellwood: I was only in Ruth King until grade five and I remember her moving away around then
...
Proctor: next time i talk to her I'll ask her if she remembers the "spaz" lol
